

St. John said, "To everyone who received Jesus, God gave them the right to become His children".

Receiving Christ means a start of a new relationship with God - relationship that will last for eternity. Jesus said, "Behold, I stand at the door and knock. If anyone hears my voice and opens the door, I will come in to him."

Receiving Christ involves turning to God and trusting Christ to come into our lives to forgive our sins and to transform our lives, to make us the kind of people He wants us to be. It is a decision to surrender the control-center of our lives to the One who has the power to change our hearts! You may surrender your life to Christ right now by praying something like this:

"Lord Jesus, I need you. Thank you for dying on the cross for my sins. I open the door of my life and receive you as my Savior and Lord. Thank you for forgiving my sins and giving me eternal life. Take control of the throne of my life. Make me the kind of person you want me to be. Use me as your instrument in changing our nation. Amen"

Does this prayer expressed the desire of your heart? If so, pray this prayer right now and Christ will come into your life.

T-Track Record - Look for your candidate's track record in a previously held public office, or if he/she is entering politics for the first time, consider how this candidate has proven himself/herself in his chosen profession or area of expertise before running for office. You need to also be informed about your candidate's track record in the other points of the guidelines I have just explained to you. Do you see a good pattern of righteous governance, integrity, giftedness and heart? If you do, then your candidate is one leader you should vote for and support.

Remember, **VoteRIGHT!** Our country needs you right now to do the right thing. Be one of the "good men" who will do something against evil in the Philippines today and for generations to come.

How to Cast Your Vote in Automated Poll Election?
